## What:

Wycombe Wanderers Sports & Education Trust ("WWSET") invites you to take part in a 250+ miles charity bike ride that will start at Adams Park Stadium and finish at Wham Stadium, the home of Accrington Stanley.

## When:

The ride will begin on the morning of Thursday 30th April 2020 and end on the morning of Sunday 3rd May 2020 (*...in time to watch Wycombe Wanderers FC's final fixture of the 19-20 season which kicks off at 12pm*).

## Why:

Wycombe Wanderers Sports & Education Trust is a registered charity that exists in order to harness the appeal and power of the Wycombe Wanderers FC brand in order to do good within our community. As with the majority of charities we rely on fundraising efforts to deliver many of our projects, all of which focus on improving health & well-being, increasing educational attainment levels, promoting inclusion and community cohesion and/or increasing participation in sport and physical activity.

## Who:

The ride is open to anybody who feels they have the legs for the challenge, and are able to meet the fundraising target (*see below*). However, it should be noted that due to the distance involved prospective participants should have a good level of riding experience.

## Numbers:

We are hoping to recruit a minimum of 15 riders and have maximum capacity for 30 riders.

## Fundraising:

Each participant must commit to raising a minimum of £500 (*...but we're hopeful that some will be able to achieve even more*).

## Training:

All riders will be personally responsible for ensuring that they have the physical and mental capacity to undertake the challenge. However, to help all riders prepare we will be undertaking three long distance rides (*approx. 70 miles*) that all participants can join. These will take place on Saturday 22nd February (*prior to the WWFC V's TRFC fixture*), Saturday 21st March (*prior to the WWFC V's OUFC fixture*) and Saturday 4th April 2020 (*prior to the WWFC V's RUFC fixture*). All three rides will begin and end at Adams Park Stadium.

## On The Ride:

The ride will be professionally organised and fully supported leaving the riders to focus only on keeping the pedals turning. The route will be guided, transport back to High Wycombe will be provided, hotel rooms on the Thursday, Friday and Saturday nights will be booked, support vehicles will accompany the riders the whole time, each participant will be provided a custom designed cycling top...we'll even organise match tickets and a meal for all riders upon arrival at the Wham Stadium.

## Cost:

The cost of taking part in the ride is £300 payable in two non-refundable instalments of £150. The first of the instalments is due on sign up and the second is due by Friday 27th March 2020. Please note this cost is in addition to the minimum £500 per person sponsorship that is required to be raised.

## Information Evening & Sign Up:

If you wish to take part in the ride you must attend an information evening to be held at Adams Park Stadium on Thursday 9th January 2020 from 6.30pm - 8.00pm.

Please register to attend the information evening by emailing [community@wwfc.com](mailto:community@wwfc.com).

The information evening will provide an opportunity to meet all other prospective riders, meet the organisers and support staff who will lead the ride, hear detailed information about what the ride will consist of, and to ask any questions you may have. The evening will also give WWSET the opportunity to assess whether or not prospective riders have the capacity to undertake what will be a tough challenge, and that riders won't be putting themselves or others at risk by participating.

Following the evening all attendees who still wish to partake will be provided with a private link to an online booking page where they can register for the ride. It is at this point that the first instalment payment will be due. Please note that attendance at the information evening is compulsory for those wishing to take part in the ride.
